MEMORANDUM FOR: Director of Personnel

THROUGH: Deputy Director for Science and Technology

FROM: [REDACTED]  
Director, Foreign Broadcast Information ServiceSUBJECT: Continuation of Contract Employment of Annuitant -  
[REDACTED]

1. In accordance with [REDACTED] this memorandum recommends your approval for FBIS/Nicosia Bureau to renew the contract of [REDACTED] for a period of 1 year as an independent contractor translator. [REDACTED] years old, is a former foreign national employee of the FBIS Mediterranean Bureau who retired in December 1974.

2. [REDACTED] provides FBIS with a very valuable service by covering the Turkish-language press in Cyprus. It is not politically possible to recruit Turkish-language translators on the Greek side of the demarcation line; hence, the need for [REDACTED] on the Turkish side.

3. Turkish press translation is currently being done for the Nicosia Bureau exclusively by [REDACTED]. Failure to renew [REDACTED] contract will result in the loss of the Turkish Cypriot press coverage for FBIS. [REDACTED]

4. It is also recommended that his contract be amended to reflect an increase of his hourly rate by 10 percent to 4 (Cyprus) pounds--50 cents per hour due to the cost-of-living increase being granted by the Embassy to its local employees. [REDACTED]
